Dear Ms. Ferrera:

This letter is to inform you that we have taken action to change the Facility Code that has been assigned to your school. This code is used to identify your facility within our system of records. This change was necessary because of a change to your facility from a Non-College Degree (NCD) Institution to an Institution of Higher Learning (IHL). Your new code is:

**Facility Code: 24-0049-05**

Your previous facility code, 25-1062-05, is now obsolete and should not be used. It would greatly facilitate VA benefits processing if you would include your Facility Code when certifying veterans for benefits (VA Form 22-1999 and VA Form 22-1999b).

If you have any questions about these matters, you may call our Education Services Staff at (619) 400-1866.

Sincerely,

*Ray Hawley*
